

Outreach Grant Request Information

We are a religious organization that values inclusivity and collaborative opportunities. Therefore our criteria include:

- non-religious bias
- social justice awareness
- attention to deadlines
- opportunities for developing relationships with those who receive funding
- making a positive impact in the local, national and/or global community.

The United Methodist Church has a statement of social principles. All funding requests will be reviewed for alignment with those principles. You can find the UMC Social Principles online at umc.org/what-we-believe/social-principles-social-creed.

****Please note all applications must be received by May 31, 2017. Late applications will not be considered.****
